Integrate seamlessly

Hotel reservation system

Our valued hotels using UIBScm channel manager, will now be able to integrate seamlessly with RateGain’s channel manager. RateGain is known for their strength in swift inventory distribution.

With an ever-growing network of group of hotels and individual properties the need for speed, management of rates and inventory with perfection, integrated with UIBScm channel manager, the need for choosing a global channel management platform with over 1,500 channel interfaces, was a key strategic progression for servicing our client base.

Automation & Innovation

Through this association our unique offering of 24 well-orchestrated cloud based hospitality products in an all-in-one cloud platform fulfilling guest’s digital journey such as:

- UIBScrs, UIBScm interface – for Distribution
- USBbe, UIBScms, mobile and responsive web design – for Retailing
- UIBScrm, UIBSrepute – for Digital Guest Experience, coupled with seamless integration of RateGain’s strong channel support; will enable UIBS to grow even further

We look forward to serving our hotel partners more effectively by ensuring seamless distribution and management of rates and availability over our single cloud platform offering.
