T.I.C. 12157727

UIBScms content management system is a cloud ready solution that provides a suite of web-based online platforms to manage the content of single websites or portals. UIBScms enables users to post news items and special offers, manage publications and content. Keeping the content fresh and up-to-date by placing the business people that drive your company in charge of its content through role based functions.

Increase sales

- Enables retailers to showcase their new car stock
- Increase sales and help customers easily locate a vehicle they can afford

Add easily all vehicles' details:

- extensive technical details
- specification information
- pricing
- images
