Sell your rooms to guests around the world through leading direct booking technology. UIBScrs offers direct bookings on your website. Whether you have a website or are looking to create one, UIBS proven technology will help you generate direct reservations at every opportunity.

Direct Booking Engine

Tap into the massive number of web-savvy travelers that book accommodation online. UIBS's direct booking engine will allow you to sell your rooms through your own website and third party sites your hotel is listed on.

Secure Online Payment

A secure PCI compliant booking engine and one click booking page will secure guest payment details to get you paid fast.

A clear path to booking

A smooth booking process that ensures guests can book as quickly and easily as possible. A confirmed reservation is only a few clicks away.

Multiple Room Searches

Sell up to 6 rooms to your customers with a range of booking options for each combination. Set different rate profiles for direct customers and travel agents.

One Click Reservations

One easy-to-use dashboard for managing all of your guest reservations, from the moment they make a booking, to when they check in and check out.

Quick Updates

Quickly update your room rates and availability with our easy to use inventory grid. Our bulk upload feature makes it easy for you to plan and apply rate changes, hot deals, and stop sells across all of your rooms up to a year in advance.

Helps you Sell Extras the smart way

Enhance your guests' experience and increase incremental revenue by offering extra supplements.

Customer Relationship

Keep guests engaged from the moment they book with you, and beyond. Complete your guests' experience with automatic confirmation, pre and post stay emails.

Shopping Cart

A 4-Dimensional module. Upsell your bookings with our full custom shopping cart module. In-house as well as external guests can enhance their bookings or shop individual items directly from your website.

Reporting

Draw reports on just about everything – best performing booking sites, occupancy rates, promotions and so much more.
